

Teddy Bears Childcare

No Smoking/ Vaping Policy

In accordance with Ofsted and the Government children should be cared for in a safe, hygienic, and smoke-free environment. We therefore have a no smoking/ vaping policy in our setting.

To ensure a safe and healthy environment for our children, families, and staff, our nursery has a strict No Smoking and No Vaping Policy. Smoking and vaping are not permitted anywhere on nursery grounds, including outdoor play areas, driveways, and entryways.

This policy helps protect our children from the harmful effects of second-hand smoke and vapor, and it reinforces our commitment to promoting a clean, healthy space for everyone.

We appreciate your cooperation in helping us maintain a smoke-free and vape-free environment for our little ones!
